– PLANNING A
COMMUNICATION SITE

DESIGN & BRANDING
CONSIDERATIONS

DEMONSTRATION:
CREATE YOUR OWN
COMMUNICATION SITE

Q&A

One Minute about Mytech

Business & Technology Consultants that serve small to medium-sized businesses

Help you implement a proven IT strategy in alignment with your business goals

Remove IT Challenges

So you can focus on serving your customers better and be more adaptable to other business challenges.

Our **clients** achieve **4x** more **value** and **productivity** from their IT investments.

Why a communication site?

- Share information & documents with other departments & organization-wide
- Showcase content or tell a story
- Share news in a compelling way
- Launch a product or service

Why is SharePoint often underutilized?

- Site navigation! (Or lack thereof)
- Bland design
- Obsolete or abandoned sites
- Duplicate or out of date content
- Lack of governance

Planning your site

What is the main use case for this site?

- Department or project site
- Documentation or information sharing
- News/events
- Launch product/service

Who is your audience?

- Who are your viewers?
- What are they looking for?
- What are their priorities?
- Language – what terms make sense?

Design & navigation

- Is navigation intuitive?
 - Where am I?
 - What can I do here?
 - Can I find what I need?
 - Where can I go from here?
- Is the design appealing?

Governance & communication strategy

- Contributors
- Permissions
- Content updates / frequency
- Communication strategy

How will you measure success?

- Surveys
- Team check-ins
- Usage reports

Site content tips & tricks

- High priority content first
- Less is more
 - Reduce clutter on the home page
 - Link to additional information
 - Utilize pages often
- Break content into sections
 - Headlines
 - Utilize bullets, icons and lists
 - Web parts
- Use high quality images & be visual where possible (65% of people are visual learners)

Demonstration: Designing a Communications Hub for Your Team

How will we measure success?

- Usage stats 365 Admin center
- Surveys & team check-ins

Use case

Demo Clinic landing/
home page

Site plan

Communication Strategy

- Broadcasts to MS Teams
- 'Follow' site (bookmark)

Audience

- All staff
- New employee onboarding

Governance

- 2 Owners
- 1 Contributor (marketing)
- Policy re **site maintenance**:
contributors, permissions, update
frequency

Design & Navigation

- Follow company brand guidelines
- Use hub site to connect to other
departments

Summary

Take the time to plan

Involve key players from different teams

Design a long-term governance plan

Measure success, change where necessary
